City West Taekwondo Demo Team

The CWT Demonstration team has become a household name for residents in Melbourne's west. Having performed locally, as well as touring Victoria, metropolitan and country suburban grounds to showcase its mystifying and spectacular displays to audiences of all ages... the accolades continue to flow for the new generation team.

Owner and Head Instructor of City West Taekwondo, Mr. Frank De Pasquale (5th Dan Black Belt), in conjunction with Demo Team Manager, Sonia Sonda, have given Martial Arts a whole new meaning through the application of the teams' creative and entertaining visual displays.

Our dynamic team is made up of 20 talented students of City West Taekwondo. Trained by professional and passionate instructors in Martial Arts and Gymnastics, the CWT Demo Team continues to evolve, developing its own unique style of performance which captures the audience with its breathtaking board breaks and powerful tile breaks, dramatised self defence routines, entertaining music-gymnastics, high flying capoeira, ju-jitsu and taekwondo exhibitions.

The focus of our demonstration is largely to showcase extreme talent, highlight the benefits of the new generation martial arts to our growing community and simply to create a phenomenal experience for our team and audience - creating the ultimate "WOW" factor!!!
